

Reclaimed Ohlone College Redwood

www.mbreclaimed.com

Redwood

Ohlone College is the only community college in the United States named after an Indian Tribe. The Ohlone tribe inhabited the central and northern California coast. They were hunters, gatherers, and distinguished by their profound reverence for the earth. In honor of the Ohlone tribe, the college tries to emulate the same appreciation for the environment and intention to help people through education. Due to a campus remodel, California Redwood is available for repurposing in your next project.

Source: Ohlone College

Prior Use: Campus building molding, hand rails, trim, and beams.

Species: California Redwood
(*Sequoia Sempervirens*)

Certified: FSC® Recycled 100%
